We live with nature
and nature lives with us!

Fairies love to sing and fly,
in the fields and in the sky.

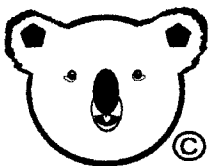

Even the smallest flower is important!

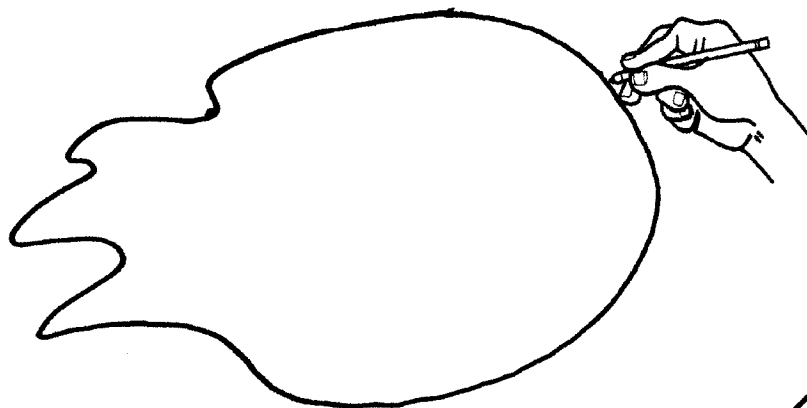

When fairies fly their wings sparkle!

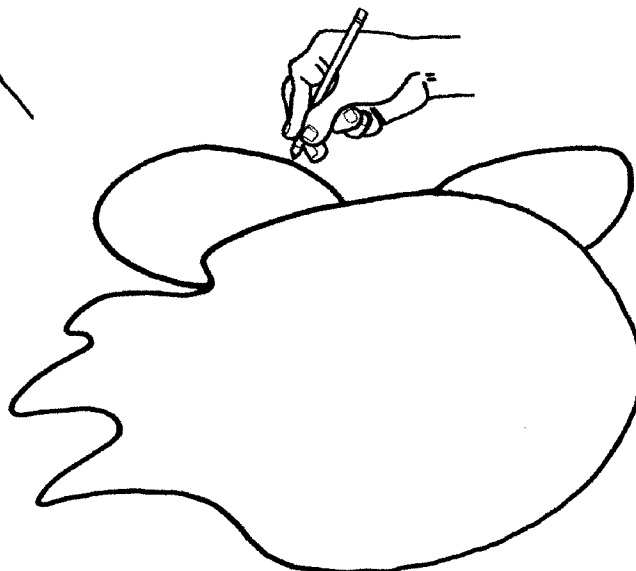

Fairy Force Five

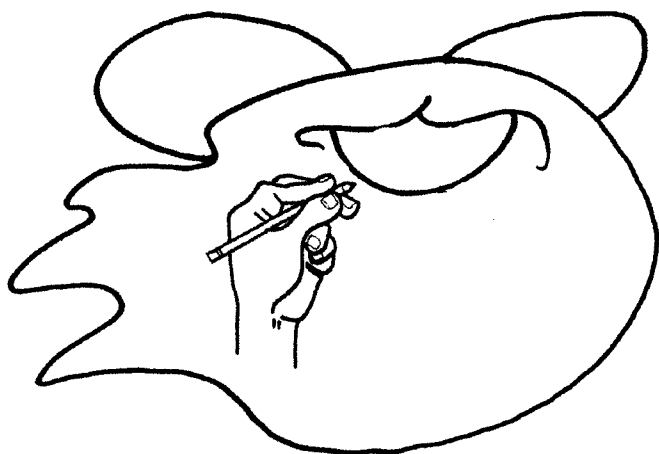

1. Draw a big wavy circle. This will be the fairy's hair.

2. Draw two egg shapes on top. This will be the fairy's wings.

3. Draw a half-circle and a wavy line. This is the fairy's face.

4. Draw two circles for eyes and a > for a nose. Draw another triangle and then draw a circle inside. This is the mouth and tongue.

5. Draw a box using wavy lines. This is the fairy's dress.

Finish the fairy by adding four stretched ovals. These are the legs and arms.

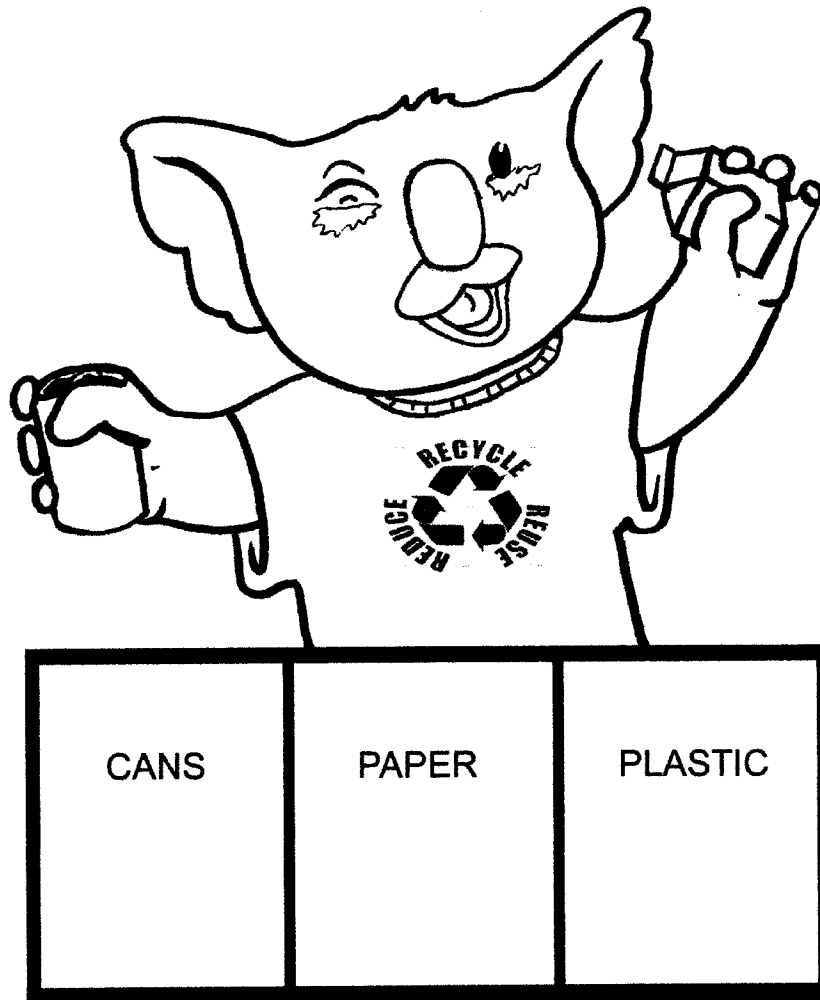

For the hands, add two upside down U shapes. These are the thumbs.

The End!

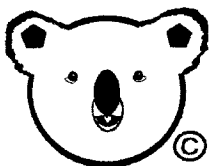

Did you Know?

Small changes, like having your family ride bikes to the community pool instead of driving, make big differences in pollution and energy use!

Remember!

REDUCE, RE-USE, AND RECYCLE.
